Complimentary yearbook presented at end of season.

Thank you certificate with your business name for display.

Please support the SAHRPA today and enjoy a fantastic night of racing while helping build the future generation of harness racing with our young drivers. Many of our professional trainers and drivers have used the pony trots as a stepping stone to success. The support of our sponsors helps supply awards and trophies for the competing children and their ponies. Alternatively, if you would prefer, we would be glad to accept articles of similar value as raffle prizes or as part of the end of season awards.
